

## Continuity Renewal Statement for a Coast Guard Credential *Optional Document*

If applying for a Document of Continuity, please sign and return this page with your application and the credential(s) you are placing in continuity. If you don't want to use this document, select the appropriate Document of Continuity box(es) and write or type in the Description of Endorsement Desired box on your application (CG-719B form) which credentials you want placed in continuity and if you want your cancelled credentials returned to you.

*NOTE: STCW endorsements cannot be placed in continuity per 46 CFR 10.227(g)(4).*

By signing this statement, I understand that I am applying for a Document of Continuity under 46 CFR 10.227(g). I acknowledge that I will be issued a Document of Continuity and I understand that I cannot sail under the authority of this document until I renew my credential(s) under the full requirements of 46 CFR 10.227(d). I also acknowledge that my application for continuity will not be accepted by the Coast Guard unless accompanied by the credentials that I am placing into continuity.

Check here if you would like to have **ALL** of your credentials placed in continuity.

Check here if you would like to have **SOME** of your credentials placed in continuity.  
(List credentials in the box to the right.)
